THE TAHOE DELUXE COLLECTION:

This elegant and sophisticated range is timeless in both its craft and tone. The six natural yet rich hues of the Tahoe Deluxe collection have been created in response to the most popular tonal, giving the luxury carpet range extended longevity. The durability and robust composition of this range promises to keep its shape and form, even areas of the highest footfall.

These shades will never go out of style. Created from man-made fibres excellently worked to imitate the texture of real wool. Tahoe Deluxe offers supreme luxury and used by top-end designers in luxurious settings. The sumptuous quality and clean appearance lend itself perfectly in creating a warm, calm and uplifting environment.
